

wednesday nights

CHAPEL

6:00 - 7:00pm Room 130 Chapel

Midweek service led by Pastor Mark Bedwell. Chapel is a time of worship and intercessory prayer, in-depth Bible study and special guests. Chapel will be a fun, insightful and interactive series for all adults. Come join us. Where? The Chapel.

NIGHTLIFE CONNECT GROUP

6:30 - 7:30pm Room 650

NightLife is a Connect Group for parents with elementary school children and younger. NightLife intends to assist its members in deepening their personal relationship with Christ; to encourage constant growth of each member's faith; to aid in the establishment of firm foundations on which to raise Godly children in a Godly home; and to foster close, healthy, life-long relationships between its members. Led by Terry Simpson.

EFFECTIVE LEADERSHIP

6:30 - 7:30pm Room 160

There's a great deal of truth in the familiar saying, "Everything hinges on leadership." Successful families are led by a parent or parents who lead effectively. Churches thrive when their pastor and leadership team are effective leaders. The same holds true of Connect Groups, too. Effective leaders are usually successful at home, in church and at work. This class will equip you to be a more effective leader in every area of your life. Led by Terryl Delaney, (minimum class size 12)

THE TRUTH PROJECT

6:00 - 8:00pm Room 660

Studies show that only 9% of professing Christians have a biblical worldview. Because of this, today's believers live similarly to non-believers. Join us for one of the most ambitious and powerful projects—Focus on the Family's *The Truth Project*. Led by James Tew.

AMERICA'S SPIRITUAL HERITAGE

6:30 - 7:30pm Room 150

One nation under God? Not according to our leaders or our schools. What is the truth? Attend this spiritually-oriented American history class and discover the spiritual heritage of America and God's providence. Every Christian, especially Christian parents need to know the truth. This class will open your spiritual eyes to God's rich blessings on our nation. Led by Bruce L. Llewellyn, (minimum class size 12)
